Last information update: August 2023

### Accessory code

PC91: Constant current power supply unit non dimmable IP20 20W - Vin 220-240Vac 50/60Hz

### Technical description

Constant current non-dimmable electronic power supply I=500 mA 20 W for recessed Laser Ø96 mm luminaires.

Input Vin=220÷240 Vac 50÷60Hz.

SELV output.

The product features include common mode and differential mode overvoltage protection, short circuit protection, overcurrent and overtemperature protection.

### Installation

Compatible with the insertion drillhole for recessed Laser Ø96 mm luminaires. Fitted with slots for fastening with screws, if required.

Colour	Weight (Kg)	Dimension (mm) (*)
Indeterminate (00)	0.14	156x43x30
* The dimensions may change according to production requirements to ensure that performance levels and installation methods are observed.		

### Wiring

The power supply is fitted with a cable and rapid connector to make the connection to the casing easier. Input and output terminals on opposite sides (cable cross-section up to 1.5 mm<sup>2</sup>). Cable clamp on primary and secondary.

### Notes

SELV

Complies with EN60598-1 and pertinent regulations

### Technical data

Frequency [Hz]:	50/60	Inrush current:	18 A / 250 µs
Current out [mA]:	500	Overvoltage protection:	2kV Common mode & 1kV Differential mode
