Last information update: February 2023

Accessory code

BZQ7: End cap for connectors + 120 ohm thermal resistance

Technical description

Cover plate for IP68 linear connector made of rubber + 120 Ohm terminating resistor for products with DMX512-RDM control.

Installation

for BZN3 (OR BZS6)

Colour

Indeterminate (00)

Weight (Kg)

0.01

Complies with EN60598-1 and pertinent regulations

IP68

ERC
