Accessory code

X542: Cylindrical screen - Installation without accessory frame

Technical description
Cylindrical screen for Ø 119mm spotlight. The cylindrical screen is made of anodized aluminium. It is painted black. The cylindrical screen has a number of openings in it that allow water to flow out if it is applied pointing upwards. It is painted with liquid paint.

Installation
The screen is attached directly to the product with screws.

Colour	Weight (Kg)
Black (04)	0.39

Complies with EN60598-1 and pertinent regulations
