**Product code**MXI9: Structural support profile for linear niche lighting - Internal corner **Attention! Code no longer in production****Technical description**

Support corner profile for internal corner. Made of extruded, white finish aluminium. Integrating this with a linear profile (code no. MXI7-MXI8) allows the product to follow the movement of the walls and obtain a continuous perimeter line of light.

Installation

The profile should be fitted to the wall using screws and screw anchors (not supplied). The areas where the profile and plasterboard meet should then be filled and properly finished off.

Colour

White (01)

Weight (Kg)

0.6

Mounting

ceiling surface

Complies with EN60598-1 and pertinent regulations
