Product code

PT60: LV FILORAIL 48V (16A) Minimal Recessed Curved Track R350

Technical description

Low voltage 48V (16A) curved track with R350 radius for ceiling applications, Minimal recessed. Designed to house dedicated lighting elements equipped with a specific 48V adapter. Made of painted extruded aluminum. The integrated circuit, designed to interact with the driver, is included in the adapters or products, allowing individual programming of the lighting elements inserted in the track. To obtain continuous rows, direct and angular joints with separate coding are available. Accessory installation systems with separate coding.

Installation

Minimal recessed

Colour

White (01)

Weight (Kg)

0.46

Mounting

Low voltage track

Wiring

The remote power supply is available with separate coding. For maximum loads and wiring methods, consult the instruction sheet.

Complies with EN60598-1 and pertinent regulations
