**Product code**

X682: Base for surface-installation or with rod for external Organic Response sensor

Technical description

Plastic base for surface-mounting the X680 external Organic Response multi-sensor.

This base, together with the X683 accessory (to be ordered separately) allows the multi-sensor to be pendant-mounted with a rigid rod.

Installation

It is fixed directly to the surface with 2 screws (not included).

The multi-sensor is inserted and snapped into place by rotating it slightly.

Colour

White (01)

Weight (Kg)

0.04

Notes

For pendant-mounting with a rod, the X683 item code is required.

Cannot be used with the X681 item code.

Complies with EN60598-1 and pertinent regulations
