Accessory code

X960: Base with transversal and longitudinal adjustments for installing Trick em.

Technical description

Base made of die-cast aluminium for installing Trick em both in indoor or outdoor environments (the product installed via the base achieves an IP66 rating). The base can be adjusted on the longitudinal plane from -10° to $+10^{\circ}$ (using the two screws on the base) and on the transversal plane by 360° (using the grub screw).

Colour

White (01) | Black (04) | Grey (15) | Rust Brown (F5)

Weight (Kg)

0.34

Mounting

wall arm|wall surface|ceiling surface

Complies with EN60598-1 and pertinent regulations

IP66
