N101: adjustable luminaire - Ø 212 mm - neutral white - medium optic - frame Attention! Code no longer in production

# Technical description

Round adjustable luminaire designed to use an LED lamp with C.O.B.technology in a neutral white colour tone 4,000K. Version without rim for mounting flush with ceiling. Lower reflector vacuum-metallised with aluminium vapours with an anti-scratch protective layer. Anodised aluminium upper reflector. Black, zinc-plated sheet steel bracket. The luminaire can be rotated 30° relative to the horizontal plane and 358° about the vertical axis. The luminaire is fitted with mechanical locks for light beam aiming. Painted extruded aluminium dissipater.
