Product configuration: Q917

Q917: Linear module LB XS for 48V track - Wall Washer

Product code

Q917: Linear module LB XS for 48V track - Wall Washer

Technical description

Fixed linear Wall Washer module complete with adapter for installation on a 48V low voltage track. The adapter made of a thermoplastic material includes the DC/DC driver circuit with a DALI dimmable function. Integrated «power line» technology allows each light module on the track to be adjusted separately. Despite the ultracompact size of the product, the patented technology of the optic system guarantees an even efficient beam on the wall. Extruded aluminium main body and technical dissipation unit. A rapid tool-free system for connecting the adapter electrically and mechanically to the track.

Installation

Mechanical fastening with adapter on track.

Colour Black / Black (43) | Black / White (47)

184

Mounting

Low voltage track

Wiring

Integrated DC/DC LED driver in adapter - direct connection on 48V track. Track power supply unit to be ordered separately.

Complies with EN60598-1 and pertinent regulations

Weight (Kg)

0.32

27

Technical data

Im system: 760 W system: 18.4 Im source: 2000 W source: Luminous efficiency (lm/W, 41.3 real value): Im in emergency mode: Total light flux at or above an angle of 90° [Lm]: Light Output Ratio (L.O.R.) 38 [%]: CRI (minimum): 90 Colour temperature [K]: 4000 MacAdam Step: 2
